

# 25 BUSINESSES in 25 DAYS

**T**hroughout August 2012, I visited and toured businesses throughout my district. I would like to thank the business owners and employees who welcomed me into their shop, restaurant, store, etc. to learn more about their business. Small businesses are the foundation of our towns and villages and I am committed to supporting and helping them however I am able. Please do the same and consider giving your business to these great, local establishments.

Thank you,  
Legislator Joseph C. Lorigo
